General Rules

- Game times are always at the discretion of The RISE.
- Divisions will be made up of players of the same age bracket. Cut off age is based on the age of the child on September 1 of current year.
- If there are not more than four teams in any division, we reserve the right to have teams play crossover games out of their division. We will limit teams to having one crossover game per team, per season and crossover games will not affect the teams' divisional standings.
- Volleyball officials will be used to start the game. Winner of a coin flip will have their choice of serving first or side of the court.
- Each team will have an unlimited number of substitutions per game. The server cannot be substituted at any time. Each child needs the opportunity to serve.
- Substitution will take place through the middle back position after the player has served.
- FOR TEAMS WITH 9 OR MORE PLAYERS – If the coach wants to run a rotation to allow all team members the opportunity to play, the coach may substitute players by calling for substitution to the official. A line up must be turned in to the score keeper and proper substitution rules will apply to the team. If the coach does not follow substitution rules accordingly to USAV ruling, illegal substitution could be called upon the team, and result in a loss of rally and serve.

- In the event of missing players, teams may begin the game with a minimum of four (4) properly uniformed players.
- To enter a late arriving player, that team will be charged with a side out/loss of rally. The late arriving player must check in with the scorekeeper. Play will resume from the same serving order. If the coach chooses to start the player at the beginning of a new match, no charges are placed.
- Rally scoring will be used (point after every side out).
- Each match will consist of best two out of three games; first two games will be played to 25 points, must win by 2 with a cap at 30. If a third game is required, it is to 15 points, must win by 2. If a third game is required, a coin flip will decide serve and receive. If the game is on a time restraint, 15 minutes or less within the hour, the third game will be determined by first team to 15. Scorekeeper will determine before coin toss.
- Two time outs per game; this includes 3rd game.

Game Information

- Net height will be 7' feet.
- 11U players must serve from the 23 foot service line if serving underhand and they are not permitted to move forward from the 23 foot service line. Once the 11U player consistently serves the ball over the net, that player must then take a step back from the previous serving position. It is encouraged to have players serving from the 29 feet 6 inch service line as skills develop.
- Players that serve overhand must be sure to step back as close to the back service line as possible. It is encouraged to have players serving from the proper service line as skills develop. The back service line is 29 feet 6 inches from the net.
- For each team, the server will be allowed 2 attempts to serve the ball over the net. If the ball goes over the center aspects of the net but is out of play, the player does not receive a second serve. Second serve is only awarded to the serving player whose first attempt does not go over the net or hits short into the net. If the ball is served, goes over, but it is outside the boundaries of the antennae, this does not indicate a second serve. It is classified as a service error, and the point will be awarded to the opposing team.
- Each server will have a maximum of 5 serves. After 5, the serve will become the opposing teams.
- From the moment the referee blows their whistle for the player to serve and when the player actually serves will be no longer than ten seconds. The first offense will be a warning and then the next offense will result in a loss of serve.
- A team beginning a match with a valid number of players, but through injury loses one or more players and does not have a substitute player, they may continue playing the match with all remaining players.
- Only coaches and assistant coaches are allowed on the bench with players. NO parents, children or players from other teams are allowed to sit with the team.
